The background of the image is a close-up, vertical view of a light-colored wood grain, likely oak or a similar species. The grain runs vertically, showing natural knots and variations in tone from a pale tan to a slightly darker, more textured brown. The texture is organic and detailed, with visible growth rings and some surface imperfections.

The background of the image is a close-up, vertical view of a wood surface. The wood grain is prominent, showing various shades of brown from light tan to deep, dark chocolate and near-black tones. The grain patterns are mostly vertical but have some wavy, organic textures. The lighting appears to come from the side, creating subtle gradients and highlighting the natural imperfections and knots of the wood.
